AMERICA IN-HOME is an independent custom closet and storage company with over 20 years of industry experience. Make the best use of the space in your home with the help of the highly trained designed consultants from America In-Home. Everything we design is unique, to

meet your individual needs. Our company specializes in all of your storage needs, from the simple to the complex. We manufacture all of our storage systems in our state of the art production facility in Brookfield, WI . We offer a wide variety of solid colors and wood grain options. You

can choose from many accessories options including drawers, fully backed cabinet style systems, low voltage lighting, and crown molding. We are dedicated to creating your ideal space. Give us a call or stop in our showroom to set up your free in-home consultation.
