

**MAKE THE BEST** use of the space in your home with the help of the highly trained design consultants from America In-Home. We'll bring creativity, perspective, function and our over 20 years of experience as part of a leading national custom closet franchise organization to your home, adding new depth to your life.

Our design philosophy:

- Provide a space-planning solution to maximize your space
- Focus on design functionality to create a solution that works for you
- Blend storage solutions seamlessly with the aesthetics of your home

At America In-Home, everything we design is unique, to meet your individual needs. We work with you from concept to completion to develop the perfect solution for you. Our dedication to quality customer service also extends to our showroom, where a variety of styles and finishes are available for you to experience firsthand.

Begin the process toward simplifying your life with a complimentary in-home consultation with our design consultants. They will help you visualize your new space and work with you from concept to completion to create the best use of your space to fit your needs and lifestyle.

America In-Home creates space in many areas of the house:

- Closets & Bedrooms
- Home Offices & Media Rooms
- Pantries & Laundry Rooms
- Garage & Basement Storage
- Craft & Linen Rooms
- Entryways & Mudrooms

We are dedicated to creating your ideal space to improve both style and function. We also pledge to complete the installation with the least disruption possible to your home and life.

America In-Home transforms the space you have into the space you want. Explore our detailed designs online, give us a call, or visit our showroom to take the first step toward simplifying your life.
